LOBBY DISPLAY

Thurman Knight is an avid photographer who enjoys the mood of photography as much as the subject matter. His photographs show the tenacity and interaction between subject and photographer. "I enjoy the event of taking photographs as much as the end result--it's a process." Thurman has an M.A. in communication from the University of Minnesota and is actively pursuing his interest in photography both academically and experientially.

IMPORTANT NOTICE

The taking of photographs or videotape recording of this performance is strictly prohibited. No food, beverages or tobacco are allowed in the theatre at any time.
