

ARCC THEATRE PRESENTS

A Midsummer Night's Dream

By William Shakespeare

A tale of love, confusion, and chaos!

A Midsummer Night's Dream begins with the celebration of an upcoming Royal marriage. Four lovers on the run and a ragtag theater troupe being tormented by mischief making fairies join in the mad capped action. A Midsummer Night's Dream is one of Shakespeare's most beloved comedies. An action packed story, that is so improbable it seems only a dream.
